Internship

NTPC LIMITED

Jun 2025 - Jul 2025

Software Developer Intern

- Engineered an **internal web application** to streamline AGM operational workflows, reducing manual effort by **~30%**.
- Collaborated with **5+ cross-functional stakeholders** to translate ambiguous requirements into working software modules.
- Architected **modular, reusable components**, improving maintainability and reducing future development effort.
- Enhanced UI navigation and responsiveness, improving user experience and reducing page transition time by **~25%**.
- Followed **agile development practices** across **2-week sprints** with continuous feedback and iteration.

Project Internship (Lovely Professional University)

Jun 2025 - Jul 2025

AI & ML for Real-World Problem Solving

- Delivered an **NLP-based system** using Python and FastAPI, improving response relevance by **25–30%**.
- Implemented backend APIs and refined logic based on **feedback from 20+ test users**.

Projects

Portfolio Website (Shlok-Nexus) | React.js, TypeScript, Tailwind CSS, Vite, JavaScript, Git

Since Oct 2025

- Built a **responsive, component-based portfolio platform** with modular design and **10+** reusable UI components.

Municipal Law Assistant (NLP + RAG) | Python, FastAPI, NLP, RAG, LLM Integration

Jun 2025 - Jul 2025

- Developed a **Retrieval-Augmented Generation (RAG)** based assistant to answer municipal law queries using official documents.
- Integrated semantic search with **embeddings**, improving answer accuracy and source relevance by **~35%**
- Repository Link: <https://github.com/Shloknanhoriya/municipal-law-assistant>

Vocational Training Recommendation System | Python, Scikit-learn, Pandas, NumPy, Machine Learning

Dec 2024 - Jan 2025

- Created a **machine learning-based recommendation system** using user skills, education level, and employment data.
- Performed Data preprocessing, feature engineering, and model evaluation, achieving **~80%** recommendation accuracy.
- Repository Link: <https://github.com/Shloknanhoriya/Recommend-Vocational-Course>

Certifications

Computational Theory: Language Principles & Finite Automata - Infosys | Springboard

Aug 2025
